<i>Subject Description</i>	<i>Final grade</i>		<i>Final grade</i>

Note:

For above subjects to be credited to the curriculum of the degree applied for, student is required to provide documents (syllabus, subject outline and others) that show the subject description, extent and coverage, lecture topics, activities, assignments, student assessment scheme and other pertinent information regarding the subject.

Credit for “major subject(s)” is upon the discretion of the faculty of the Institute. This takes into consideration not only the above requirements but also the requirements of the University Registrar for such cases.

Please attach a copy of your transcript with highlights on the subjects listed above.
